

STRINGS DAY

At Music Makers!

45 minute Free Music Makers Preview Classes for children 2 – 5 years old!

This is what you and your child will experience:

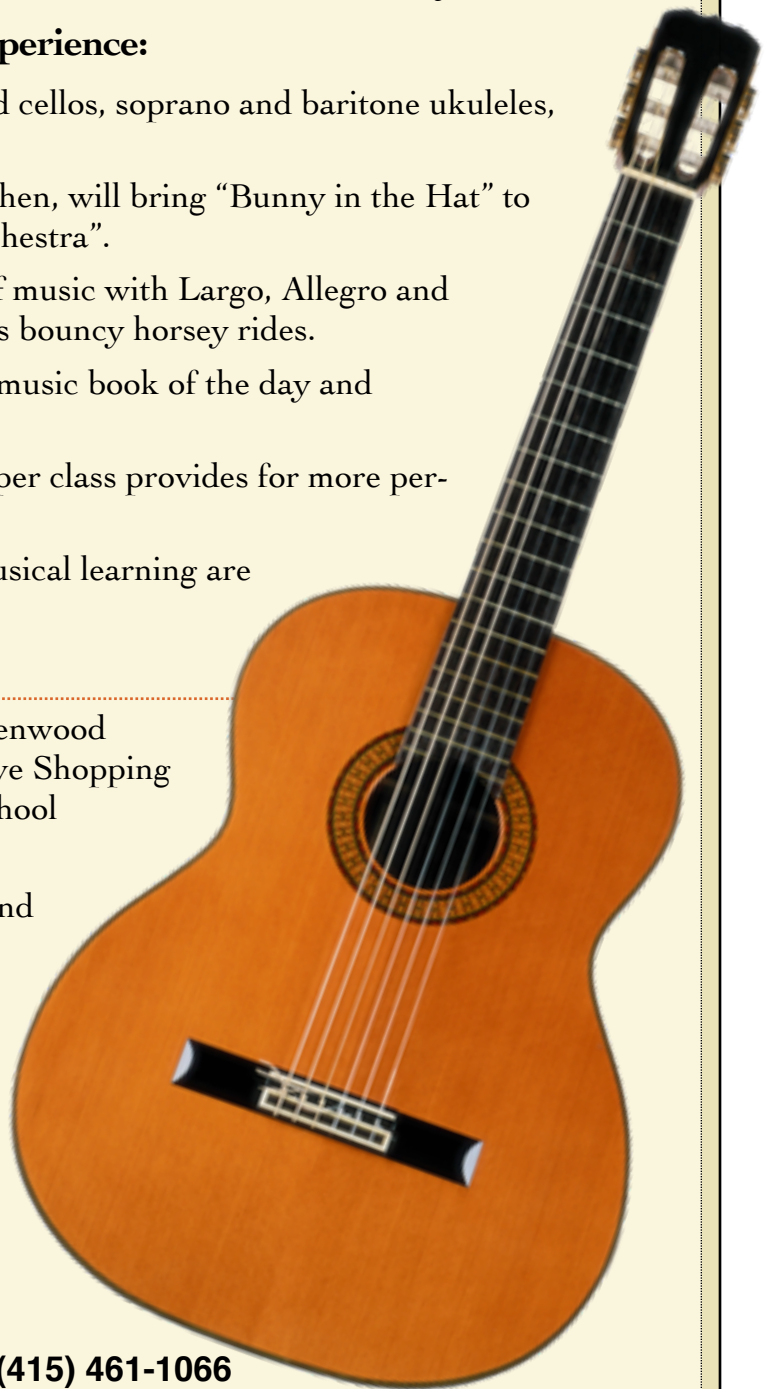

- Children will play child-size real violins and cellos, soprano and baritone ukuleles, Celtic harps, zithers, guitars and more.
- Early childhood music specialist, Cindy Cohen, will bring “Bunny in the Hat” to teach the children to conduct our class “orchestra”.
- Get a jumpstart on learning the language of music with Largo, Allegro and Presto, the 3 steeds that guide the children’s bouncy horsey rides.
- Develop listening skills and focus with the music book of the day and Tempo-Change dancing fun.
- Small class size—maximum of 10 children per class provides for more personalized teaching and enhanced learning.
